A story of loss, courage and human connection

"The Narrow Bridge" follows four individuals whose lives have been shattered by conflict in the Middle East – yet who respond not with a desire for revenge, but with courage and compassion.

Rami, Bassan, Bushra and Maytal have each lost a child or parent. In the face of unimaginable grief, they choose to transform their pain into a bridge towards understanding and peace.

- How do we live after a devastating loss?
- How do we resist being defined by hatred?
- How do we hold onto our humanity in the face of violence?

Join us for a facilitated conversation exploring themes of reconciliation, shared humanity and connection across faiths.
